

Dear Sir/Madam,

I am thrilled to apply for the Story Writer/Content Writer internship at Ramadan FM. With a strong background in content creation, storytelling, and digital publishing, I am excited about the opportunity to contribute to your mission of delivering diverse and engaging programming to the Leicester community.

During my tenure as Health & Lifestyle Chief Editor at Demon Magazine, I managed the end-to-end process of content creation, from conceptualising engaging stories to editing and publishing. Collaborating with writers, I ensured each piece resonated with a broad audience while maintaining editorial standards. My experience as a Writer/Producer for Demon FM further honed my ability to create compelling multimedia content, including live radio segments and podcasts, tailored to diverse listener interests.

My academic and professional journey has equipped me with skills directly relevant to this role:

- Content Development: Proficient in adapting writing styles for various formats, including articles, social media posts, and scripts, ensuring alignment with target audiences.
- Research Expertise: At Stockholm University, I conducted detailed research, enhancing my ability to produce accurate and relevant content based on current trends and topics.
- Organisational Skills: As a Social Media Officer for DMUHackers, I managed content calendars and collaborated with teams to meet strict deadlines, demonstrating a balance of creativity and time management.

What excites me most about Ramadan FM is your commitment to representing diverse demographics through programming that addresses both everyday and spiritual topics. This aligns with my passion for crafting narratives that empower, inform, and connect communities.

I am eager to bring my creativity, adaptability, and dedication to your team, contributing to the impactful content Ramadan FM delivers year-round. Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experiences align with your needs.

Yours Sincerely,  
Harry Pape
